

Thornycroft - NEW Thornycroft TF-150 150hp Marine Diesel Engine Package

From £ 18,447

Description

New Thornycroft TF-150 150hp Six Cylinder 6.7 Litre Naturally Aspirated Heat Exchanger Cooled Marine Diesel Engine With PRM500D2 Hydraulic Gearbox, Deluxe Control Panel, 6.0M Extension Harness and Set Of AV Flex Mountings. This is a heavy duty engine producing 150hp @ 2800rpm based on a tough 6.7 litre block. It has a fully mechanical fuel system so no ECU or electronic management systems. Supplied with 12V electrics as standard but 24V is available as a cost option. We can also offer these engines as a Bobtail option (no gearbox) or, fitted with an adaptor and drive plate to suit your existing gearbox. PTO options also available on request. Regular retail price of £24,596 Inc VAT We can then offer an amazing discount of £6,149 when you part exchange your old generator set. Running or non-running, so long as it was manufactured after 1980 it will qualify under the trade in scheme. This gives a total payable of £18,447 Inc VAT Most standard spec models are in stock ready for fast delivery and bespoke builds are generally on a 8-12 week lead time. Contact us today to discuss your requirements.
